

Questions for the Pharmacy Counter

The pharmacist is free to talk to. This is what to ask while you are there.

WHEN TO USE THIS

Use this before you go to pick something up.

What do you want to ask them?

Timing, food, other things you take, how to store it.

1. _____
2. _____
3. _____
4. _____

What is confusing on the label or the leaflet?

What did they tell you? Write it down before you forget.

Ask them to write anything down for you. It is part of their job and it costs nothing.

Pharmacists answer questions all day. Yours will not be the odd one.
