

When Something Breaks

For the cost you did not plan for - the car, the tooth, the boiler, the phone.

WHEN TO USE THIS

Use this in the first day or two after an unexpected cost lands.

What happened, and what does it look like it will cost?

How urgent is it, really?

- ☐ Today - it is not safe otherwise
- ☐ This week
- ☐ This month
- ☐ It can wait a while
- ☐ I do not know yet
- ☐ I need to ask someone who knows

Who could tell you what it actually needs?

A friend who knows, a helpline, a second quote.

What is one thing you can do about it this week?

The first shock is the loudest part. Let it settle before you decide.
